On February 27, 2020, Digital Realty Trust, Inc. (DLR) announced a 3.7% increase in its quarterly cash dividend per share to \$1.12 (\$4.48 annually) from \$1.08 (\$4.32 annually). This quarter's dividend will be paid on March 31, 2020 to stockholders of record on March 17, 2020.

From the press release: "Our board of directors has approved a 4% increase in our quarterly common stock cash dividend to \$1.12 per share, reflecting confidence in the underlying strength of our business," commented Andrew P. Power, Chief Financial Officer. "This marks the 15<sup>th</sup> consecutive year we have grown our dividend, and we are pleased to be among a select group of REITs to have raised the dividend each and every year since our initial public offering in 2004."

Digital Realty supports the data center, colocation and interconnection strategies of customers across the Americas, EMEA (Europe, the Middle East and Africa) and APAC (Asia-Pacific), ranging from cloud and information technology services, communications and social networking to financial services, manufacturing, energy, healthcare and consumer products.

Digital Realty is in the REIT (real estate investment trust) sector of our Dearborn Partners High & Rising Dividend separately managed account (SMA) portfolio. So far this year, 10 of the 25 companies in this portfolio have announced 10 dividend increases. The average of these dividend increases is about 7.1% more than those companies paid as dividends a year earlier. So far this year, no companies in this portfolio have reduced their dividends.
