Another Dearborn Partners Core Rising and High & Rising Dividend SMA Portfolio Increase: Qualcomm Incorporated

On March 10, 2021, Qualcomm Incorporated (QCOM) announced a 4.6% increase in its quarterly dividend per share to \$0.68 (\$2.72 annually) from \$0.65 (\$2.60 annually). The cash dividend will be payable after March 25, 2021. This is the 18th consecutive annual increase in the dividend paid by Qualcomm Incorporated.

From the press release: Steve Mollenkopf, CEO of Qualcomm Incorporated, said, "We are pleased to announce an increase in our quarterly dividend, reflecting our strong financial performance and continued commitment to returning capital to stockholders."

Qualcomm is the world's leading wireless technology innovator and the driving force behind the development, launch, and expansion of 5G. When QCOM connected the phone to the internet, the mobile revolution was born. Today, its foundational technologies enable the mobile ecosystem and are found in every 3G, 4G and 5G smartphone. QCOM brings the benefits of mobile to new industries, including automotive, the internet of things, and computing, and is leading the way to a world where everything and everyone can communicate and interact seamlessly.

Qualcomm Incorporated is in the Information Technology sector of both of our Dearborn Partners Rising Dividend separately managed account (SMA) portfolios. So far this year, 17 of 49 companies in our Core Rising Dividend portfolio have announced 17 dividend increases averaging about 11.3% more than these companies paid a year earlier.
