Another Dearborn Partners Core and High & Rising Dividend SMA Portfolio Increase: McDonald's Corporation

On September 23, 2021, McDonald's Corporation (MCD) announced an increase in the Company's common stock quarterly cash dividend per share to \$1.38 (\$5.52 annually) from \$1.29 (\$5.16 annually). The dividend just announced is payable on December 15, 2021 to shareholders of record as of December 1, 2021.

From the press release:

"This represents a 7% increase over the Company's previous quarterly dividend and brings the fourth quarter dividend payout to over \$1 billion. The dividend increase reflects confidence in the Accelerating the Arches growth strategy and a continued focus on driving long-term profitable growth for all stakeholders. McDonald's has a strong history of returning capital to its shareholders and has raised its dividend for 45 consecutive years since paying its first dividend in 1976. Additionally, the Company announced the resumption of its share repurchase program. The Company is committed to its capital allocation philosophy of reinvesting in the business to drive profitable growth and returning all free cash flow to shareholders over time through a combination of dividends and share repurchases."

McDonald's is the world's leading global foodservice retailer with more than 39,000 locations in more than 100 countries. Approximately 93% of McDonald's restaurants worldwide are owned and operated by independent local businessowners.
