Another Double-Digit Dearborn Partners Core Rising and High & Rising Dividend SMA Portfolio Increase: McDonald's Corporation

On October 13, 2022, McDonald's Corporation (MCD) announced a 10.1% increase in its quarterly dividend per share to \$1.52 (\$6.08 annually) from \$1.38 (\$5.52 annually). The cash dividend will be paid on December 15, 2022 to holders of record as of December 1, 2022.

From the press release: The dividend increase of 10% over the Company's previous quarterly dividend reflects confidence in the Accelerating the Arches growth strategy and a continued focus on driving long-term profitable growth for all stakeholders. McDonald's has a strong history of returning capital to its shareholders and has raised its dividend for 46 consecutive years since paying its first dividend in 1976. The new dividend of \$1.52 per share is equivalent to \$6.08 annually. The Company is committed to its capital allocation philosophy of reinvesting in the business to drive profitable growth and returning all free cash flow to shareholders over time through a combination of dividends and share repurchases.

McDonald's is the world's leading global foodservice retailer with nearly 40,000 locations in over 100 countries. Approximately 95% of McDonald's restaurants worldwide are owned and operated by independent local business owners.
