Another Dearborn Partners Core Rising and High & Rising Dividend SMA Portfolio Increases: AbbVie, Inc.

On October 27, 2023, AbbVie (ABBV) announced a 4.7% increase in its quarterly dividend per share to \$1.55 (\$6.20 annually) from \$1.48 (\$5.92 annually). The cash dividend will be paid on February 15, 2024 to holders of record as of January 16, 2024.

From the press release: "We delivered another quarter of outstanding results driven by accelerating performance across our non-Humira growth platform, which is demonstrating double-digit growth," said Richard A. Gonzalez, chairman and chief executive officer, AbbVie. "Based upon the strength and momentum of our business, we are once again raising our full-year 2023 guidance as well as our floor EPS outlook for next year. We are also increasing our quarterly dividend, underscoring our confidence in AbbVie's long-term outlook." This announcement continues AbbVie's strong commitment to returning cash to shareholders through a growing dividend. Since the company's inception in 2013, AbbVie has increased its quarterly dividend by more than 285 percent. AbbVie is a member of the S&P Dividend Aristocrats Index, which tracks companies that have annually increased their dividend for at least 25 consecutive years.

AbbVie's mission is to discover and deliver innovative medicines that solve serious health issues today and address the medical challenges of tomorrow. We strive to have a remarkable impact on people's lives across several key therapeutic areas: immunology, oncology, neuroscience and eye care - and products and services across our Allergan Aesthetics portfolio.

AbbVie, Inc. is in the Health Care sector of both of our Dearborn Partners Rising Dividend separately managed account (SMA) portfolios.
