Another Dearborn Partners Core Rising and High & Rising Dividend SMA Portfolio Increase: Texas Instruments Incorporated

On September 17, 2026, Texas Instruments Incorporated announced a 7% increase in its quarterly dividend per share to $1.52 ($6.08 annually) from $1.42 ($5.68 annually). The cash dividend will be paid on November 10, 2026 to holders of record as of October 30, 2026.

From the press release:

> The increase is consistent with TI's long-term objective for dividends by providing a sustainable and growing dividend and reflects the company's continued commitment to return all free cash flow to its owners over time. Today's announcement marks 23 consecutive years of dividend increases.
